

Guest Trays

In-Room Dining

How do I order a guest tray?

Sturgis Hospital knows that receiving proper nutrition during your hospital stay is important to your recovery. To make your dining experience more enjoyable, we offer a meal delivery service for your guests.

First, guests must purchase an **In-Room Dining** guest coupon from our Cafe, located in the basement, or the Admitting Desk near the main entrance.

Then, dial "FOOD" (3663) to place an order from the **In-Room Dining** menu for any guest tray during the meal service periods. When the meal arrives, simply hand the guest coupon to the server.

Both the patient and the guest tray meals will be delivered to your room within 45 minutes!

How much does a guest tray cost?

The cost for guest trays is only **\$5.00**.
